

**EDUCATION
FOR LIFE**

Who **we** are?

We are some dreamers who formed a company called Dream And Change then we named it Asif Kibria Help Line. The Dream was to bring Changes to the people with good potential but less access to the resources to get education & training. We started with a bunch of post graduate students who wanted to get scholarships for their Research. And we successfully placed every one of them. After this success, our team started to expand & since we have successfully contributed to every sector of Education & training.

We also organized hundreds of social Awareness events.

We also created a data bank with a CV of over 200,000 scholarship seekers.

Our Team

AKHL's team of dedicated and highly qualified consultants are well-versed in the intricacies of the international education landscape. They stay up-to-date with the latest trends and requirements, enabling them to provide accurate and reliable guidance to students. From selecting the right course and university to assisting with application processes, visa documentation, and pre-departure preparations, our consultants are committed to simplifying the complex process of studying abroad. We recognize that each student has unique strengths, interests, and ambitions. Therefore, we offer a comprehensive range of services that cater to individual needs.

Our Training and Counselling

Our training centers provide coaching for standardized tests such as the SAT, ACT, GRE, GMAT, and IELTS, equipping students with the necessary skills to excel in their exams. Additionally, we offer career counselling, application essay guidance, and interview preparation, ensuring that students present their best selves to admissions committees.

Our Reach

We have established strong ties with over 100 universities in the USA, Canada, UK, Singapore, Malaysia, India, and various countries in the European Union. These alliances allow us to offer a wide range of educational opportunities, ensuring that our students have access to prestigious institutions and diverse study programs that align with their goals and aspirations.

Our Ethics

AKHL takes pride in its ethical practices, maintaining utmost transparency and integrity in all our dealings. We prioritize the welfare of our students and their families, and we go the extra mile to ensure their satisfaction and success. Our testimonials and success stories bear testimony to our commitment to excellence.

We believe that international education should be accessible and affordable to all, and our team is dedicated to helping our aspiring students make their dreams of studying abroad a reality.

AKHL education consultancy has very strong Implementation of our CSR in Bangladesh. We are working with some local Foundation in Bangladesh to Rehabilitate community based people, who are living in an inhumane situation. Only due to their Race, Gender or cast.

Asif kibria helpline AKHL helps the children of those small communities to overcome the communal obstacles. To have access to their Basic human needs & rights. To give them a proper living, we build free houses for the families.

We Give their children free Education & Training, We make them ready to break the taboo and come back to the society with a respectable job or a business. We also encourage them to get scholarships for higher education.

How **we** work?

Here are the steps we follow to find partner universities & what we do to work with them in the proper manner.

- 01** Research and shortlist universities that offer the programs and courses our clients are interested in.
- 02** Contact the international admissions or partnership departments of the shortlisted universities and introduce our consultancy and services.
- 03** Familiarize ourselves with the admission requirements and procedures of each university, including prerequisites, tests, application deadlines, and documents.
- 04** Train our counsellors on all aspects of the admission processes, visa requirements, scholarships, and universities.
- 05** Reach out to university representatives at events, fairs, and conferences, and develop strong relationships
- 06** Arrange university visits to strengthen the partnership.
- 07** Create comprehensive student profiles that showcase their achievements, extracurricular activities, and personal qualities to different universities.
- 08** Assist students with their applications, ensuring all forms and documents are submitted on time.
- 09** Facilitate the document submission process, including attesting transcripts, translations, and other paperwork.
- 10** Help students understand visa requirements and guide them through the visa application process.
- 11** Follow up with the universities and track the progress of applications.
- 12** Stay updated on any changes in university admission policies, visa regulations, scholarship opportunities.

Our Achievement

AKHL Global Education Consultancy takes immense pride in having successfully assisted over 2000 students in realizing their dreams of pursuing higher education abroad. We have guided these students through the entire process, from selecting the right course and university to ensuring a smooth transition to their chosen destination. We are equally successful for inbound students for Local Medical & Agricultural Universities in Bangladesh.

With a robust network of more than 50 training centers across the country, AKHL has been able to provide comprehensive and personalized support to students. These centers offer top-notch coaching and guidance, equipping students with the necessary skills and knowledge to excel in their academic endeavors.

At AKHL, we firmly believe in the transformative power of quality education. Our achievements lie in the positive impact we have had on the lives of individuals who have pursued their education abroad through our guidance. We have witnessed first-hand how education has opened doors to new opportunities and brought about personal growth and development for our students.

The achievements of AKHL are evident through the positive feedback and testimonials we receive from our satisfied students and their families. These success stories showcase our commitment to excellence and the tangible results we have achieved in assisting students in securing admissions to renowned universities abroad.

At AKHL, our focus remains on continuing to assist students in achieving their dreams and making a positive impact through quality education. We are dedicated to expanding our reach, enhancing our services, and ensuring that our students receive the guidance and support they need to succeed in their educational endeavors.
